~~~~~

**This test is for horses with jumping experience competing First Level and above.**

**Horses must jump a maximum height of fences 2'6"**

~~~~~

While a jumping horse isn't expected to be as "on the aids" as a competing dressage horse, the horse must softly accept the bit and may show more "roundness" in parts of the tests separate from the jumps.

Unless indicated, trot may be done posting or sitting, & when allowed to change leads, either simple or flying changes are acceptable. Quality of the change is what matters.

***Test may be called.
Refusals will be penalized as an error.
Knockdowns penalized at the judge's discretion.***

In the case of a rail down, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced, the bell will be rung again telling the rider to continue from where he stopped.
