

# SEDA Equine Facility and Trainer Directory

Established in 1975, the Southern Eventing and Dressage Association is a non-profit, educational organization founded to foster an interest in, and understanding of, the equestrian sports of Dressage and Eventing. SEDA is a Group Member Organization of the United States Dressage Federation, affiliated with the United States Eventing Association, and governed by the United States Equestrian Federation. Club activities include educational clinics and seminars, schooling shows, *Le Bon Temps* (a recognized dressage show), *Fleur de Leap* (an eventing competition), and an annual awards program. We invite you to join us in supporting, learning, and enjoying the sports of dressage and eventing in our area.

SEDA (Southern Eventing and Dressage Association) offers a resource directory of equine facilities and trainers for our membership area (Alabama, Arkansas, Florida, Louisiana, Mississippi, Oklahoma, Texas). Basic contact information will be published six times in the SEDA newsletter, and complete information in the annual Member Directory and on the SEDA web site ([www.sedariders.org](http://www.sedariders.org)). There are no restrictions based on riding disciplines or membership in SEDA as our goal is to provide a complete resource of equine facilities and trainers to both our membership and the equine public in general.

There is a nominal fee of \$50 per year for inclusion in this directory. Send in the form below with your payment.

Submissions must be received by March 15 to be considered for publication in the annual Member Directory.

This is a great opportunity to increase exposure of your facility or services and to help your local equine community with a much needed resource. Thanks for participating!
